## The Scottish Mission Goals 2015-2017

**1. Steadfast Faith – Spiritual Nurture** through encouraging prayer, Bible study and discipleship, complementing local church ‘spiritual nurture’ activities by:

- a. Encourage spiritual revival by supporting prayer ministries
- b. Continuing SM Camp Meeting
- c. Supporting SM Youth events
- d. Organising annual SM Days of Fellowship
- e. Organising other events to foster spiritual growth

**2. Unswerving Hope – Mission - Sharing our faith effectively** – Our hope is in Christ and His soon return. It is urgent that Scottish people hear about His love.

The Scottish Mission leadership will support local church ‘outreach’ activities by:

- a. Training and resourcing leaders and members for personal evangelism
- b. Encouraging each church to develop it’s outreach strategy
- c. Promoting and resourcing public evangelism
- d. Planting new congregations/communities in unreached areas

**3. Extravagant Love – Community action and justice** – Recognising cultural and religious barriers that divide us from other people, within and outwith the church, we will encourage acts and ministries of compassion that are motivated by Christ’s love for us.

The Scottish Mission leadership will encourage:

- a. Internal Focus – ‘building one another up in love’ – using local and national events to foster inter-church, inter-ethnic and inter-cultural understanding, respect and compassion.
- b. External Focus – Community Service action in all churches
- c. Individual commitment to ‘acts of kindness.’
